[stevensj@flexiseeder.com](mailto:stevensj@flexiseeder.com)

- Lincoln University Seed Research Centre (LUSRC)  
Global Oats Limited  
Flexiseeder Ltd  
Seed and Mechanisation Development Trust (SEMEC)  
Nepal Agricultural Research Council (NARC) are leading the preparation of collaborative follow-up projects to 'Seeds in Action – Nepal 2002-2012'
- The follow up programme will address village-level seed supply and seed quality issues, and deliver improved varieties and seeds for small farmers in Nepal
- Other entities welcome to join this initiative
